Re: Notification of Initial Completeness for Administrative Renewal of Class II Air Quality Operating Permit AP1479-4334, FIN A1270, Air Case **13258 – Thacker Pass Project**

Dear Mr. Grandy:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by Lithium Nevada LLC on October 12, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of October 26, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Andrew Bell of my staff at (775) 687-9356 or abell@ndep.nv.gov.

Sincerely,

Tanya Soleta, P.E.
Supervisor, Permitting Branch
Bureau of Air Pollution Control
