Re: Notification of Initial Completeness for a Revision of Class II Air Quality Operating Permit AP2491-0095.06, FIN A0499, Air Case 13211 – Stella-Jones Corporation

Dear Mr. Morgan:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by Stella-Jones Corporation on September 16, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of September 30, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Randy Phillips of my staff at (775) 687-9362 or rphillip@ndep.nv.gov.

Sincerely,

Tanya Soleta, P.E.
Supervisor, Permitting Branch
Bureau of Air Pollution Control
