**Re: Notification of Initial Completeness for a New Class II Air Quality Operating Permit
AP1442-5169, FIN A2420, Air Case 13205 – Adkisson Quarry**

Dear Mr. Bradley:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by Pahrump Valley Aggregates, LLC on September 14, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of September 28, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Daniela Pinto of my staff at (775) 687-9475 or dpinto@ndep.nv.gov.

Sincerely,

Tanya Soleta, P.E.
Supervisor, Permitting Branch
Bureau of Air Pollution Control
