**Re: Notification of Initial Completeness for a New Class II Air Quality Operating Permit
AP1442-5166, FIN A2723, Air Case 13195 – Mustang Quarry**

Dear Mr. Joy:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by R&J Joy, Inc. dba Joy Engineering on September 4, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of September 21, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Ryan Cann of my staff at (775) 687-9338 or rcann@ndep.nv.gov.

Sincerely,

Shantell Davis
Supervisor, Permitting Branch
Bureau of Air Pollution Control
