Re: Notification of Initial Completeness for a New Class I Air Quality Operating Permit AP1041-5092, FIN A0385, Air Case 12880 – Lone Tree Mine

Dear Mr. Miller:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by Goldcorp DEE LLC on March 5, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of May 4, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Benjamin Huey of my staff at (775) 687-9541 or bhuey@ndep.nv.gov.

Sincerely,

Jaimie Mara, P.E.
Supervisor, Permitting Branch
Bureau of Air Pollution Control
