Re: Notification of Initial Completeness for Renewal of Class II Air Quality Operating Permit AP4925-4325, FIN A2295, Air Case 13173 – Desert Hills RNG Production Facility

Dear Mr. Eakle:

The Nevada Division of Environmental Protection – Bureau of Air Pollution Control (BAPC) has reviewed the application submitted by CEA Dairy RNG Nevada, LLC on August 27, 2026 for completeness.

After preliminary review of the submitted materials, the BAPC has determined that the application is administratively **complete** as of September 11, 2026.

Please be advised a Notification of Initial Completeness does not imply any agreement or endorsement by the BAPC regarding analysis, information, positions, or conclusions presented in the application. Please also be aware during the course of the review, additional supporting information may be required for clarification purposes.

If you have any questions or concerns, please contact Andrew Bell of my staff at (775) 687-9356 or abell@ndep.nv.gov.

Sincerely,

Tanya Soleta, P.E.
Supervisor, Permitting Branch
Bureau of Air Pollution Control
